

## **DONATION FOR THE SPECIAL OCCASIONS:**

Support us, together with your family, your friends or your collaborators and motivate them to contribute. Instead of flowers or gifts, wish for a donation to the Fondation Luxembourg Luxembourg Air Rescue - for your birthday, anniversary, wedding, Christmas party or for any other occasion. Your commitment will make a nice memento.

How to donate to the Fondation Luxembourg Air Rescue for a special occasion?

### **1) You can make a donation for your guests**

You can personally collect the donations from your guests on the occasion of your festivities and transfer the total amount to the Fondation Luxembourg Air Rescue. You have to indicate your name and the object of the donation, for example: "Birthday, Name of the jubilee" or "Golden Wedding Anniversary, Names of the jubilees".

Please let us know, prior to the transfer, if you would like the FLAR to send an individual thank you letter to your guests, which also serves as a tax certificate. In that case, we only need a list with the names, the addresses and the donation amounts from your guests.

### **2) Every guest makes a donation individually**

Please let us know if you intend to invite your guests to make a donation on the occasion of your festivity. This allows us to assign the donations correctly and provide a complete list of all the donations we received, so that you can personally thank all your guests.

Please advise your guests to clearly indicate the name and the purpose of the donation, for example "Birthday, Name of the jubilee" or "Golden Wedding Anniversary, Names of the jubilees". Every donator receives an individual thank you letter from the Fondation Luxembourg Air Rescue, which also serves as a tax certificate.

Please notify us by telephone (+352) 48 90 06, about expected donations for special occasion, so that the organisation can be completed to your satisfaction.
