How to make a condolence donation to the Fondation Luxembourg Air Rescue?

In your obituary, you can express the wish to replace flowers or wreaths with a donation to the Fondation Luxembourg Air Rescue. Indicate the bank details of the Fondation Luxembourg Air Rescue with the purpose, as for example "Donation, Name of the deceased". Your mourners can transfer their donation directly to the Fondation Luxembourg Air Rescue. They will receive a thank you letter, which also serves as a tax certificate. Two weeks after the funeral, we will send you a list with the names of the donators. Four weeks after the funeral, we will forward you the final list with the names of all the people who commemorated the deceased. We will also add address labels, so that you can personally thank the donators.

For a condolence donation, please notify us by telephone (+352) 48 90 06, about the expected donation, so that the organisation can be completed to your satisfaction.
